Outstanding Doctoral Dissertations

Created in 2008, the SRCD Outstanding Doctoral Dissertation Awards are given for dissertations completed in the previous year that are unusually noteworthy. This award comes with a $500 honorarium and nominations are submitted by the mentor of the dissertation thesis.

Early Career Research Contributions

Established in 2002, this award is given to SRCD members who have distinguished themselves as researchers and scholars, as evidenced through research, publications, and scholarly activity. The nominee should be no more than six years beyond the Ph.D. or equivalent degree.

Senior Distinguished Contributions

Established in 1977, this collection of awards recognizes SRCD members who have distinguished themselves over a sustained period of time in at least one domain of research and service. Therefore, this award is ordinarily given to more senior SRCD members.

2023 Biennial Travel Awards

Four types of travel awards are offered as a benefit for SRCD members to support attendance at the SRCD Biennial Meeting.
