

# SOGIE Caucus

Established in 2019, the **Sexual Orientation and Gender Identity/Expression (SOGIE) Caucus** is comprised of scholars and researchers committed to SOGIE research and supporting the development and well-being of sexual and gender minority (SGM) populations and researchers. The mission of the SOGIE Caucus is to advance developmental research on sexual orientation and gender identity/expression and sexual and gender minority (SGM) young people and families; to advocate for increased attention to issues related to sexual orientation and gender identity/expression in developmental science more broadly; and to support the development of SGM researchers and scholars within developmental science.
