Lindsay Turner Trammell, Director for Policy at
SRCD; Dr. Jennifer Brooks, Consultant and
SRCD Fellowship Supervisor

Price:

Free

EVENT DETAILS

Get your application ready for the 2026-2027 SRCDC U.S. Policy Fellowship. The webinar will focus on finding state and Congressional placements and effective application strategies. Learn valuable tips and tricks for crafting a compelling application, featuring guidance from SRCDC policy staff and fellow alum. Applications for the 2026-2027 fellowship year close on January 6th, 2026.

In 2026-2027, both the state and Congressional Fellowship placements, which are funded by private foundations, will be available to applicants. SRCDC does not plan to host federal policy fellowships in the 2026-2027, due to funding cuts in the federal government. This webinar will help applicants navigate the application requirements for the available placements, including pre-matching with a state agency.
