Call for Applications 2018: Jacobs Foundation Research Fellowship Program

The Jacobs Foundation announced a call for applications for its 2018 Research Fellowship Program. Deadline for submission: March 18, 2018. The Jacobs Foundation Research Fellowship Program is an internationally open, competitive fellowship program for early and mid-career researchers focusing on learning and development of children and youth. Fellowships are awarded to the most highly talented and innovative early- and mid-career researchers working on child and youth development. Funds are awarded directly to the fellow's institution and may be used over a three-year period to partially cover the fellow's salary and for any activity supporting the fellow's research, such as assistant salaries, equipment, technical assistance, professional travel, or trainee support. Visit [Jacobs Foundation Research Fellowship](#) for further information and to submit an online application.
