

Member Benefits

Now more than ever, SRCD offers robust opportunities for scholarly engagement and professional advancement and is a strong voice on behalf of developmental science.

Join leading developmental scientists from more than 60 countries around the world in making the Society for Research in Child Development your professional home. SRCD is a diverse, international, and interdisciplinary society that supports researchers, instructors, practitioners, and policy-makers who share an interest in and commitment to child development research. [See membership rates and eligibility.](#)
