

Fellowships

SRCD U.S. Policy Fellowship Programs

SRCD offers two policy fellowship programs: **Federal** and **State**. Both offer immersive opportunities for researchers to learn about policy development, implementation, and evaluation, and how to use developmental science to inform public policy at either the federal or state level in the United States.

AERA-SRCD Early Career Research Fellowship in Middle Childhood Education and Development

This fellowship provides a 2-year collaborative opportunity for early career scholars to participate in a research network focused on middle childhood education and development. The purpose of this initiative is to build an early career cohort of scholars with integrative interests and expertise at the nexus of child

development and formal/informal education and learning in their broader social context.
