Selected Lectureships/Conferences

Conference on Research and Teaching on Infant Development. The Merrill-Palmer Institute, Detroit, Michigan, February 1965.

Conference of President's Committee on Mental Retardation, Aerie House, Virginia, June 1970.

Conference on Early Childhood: The Development of Self-Regulatory Mechanisms, Pennsylvania State University, College Park, PA, January 1970.

Invited discussant: Conference on The Biopsychology of Development, Department of Animal Behavior, American Museum of Natural History, New York City.

Mead Johnson Symposium on Perinatal and Developmental Medicine, No. 6, Biological and Clinical Aspects of Brain Development, Marco Island, Florida, Dec. 8-11, 1974.

Invited Lecturer, XV Interamerican Congress of Psychology. "The current status of the field of child development." Bogota, Colombia, Dec. 13-20, 1974.

Invited Speaker, 1st International Congress of Child Neurology, "Developmental Neurobiology," Toronto, Canada, Oct. 6-10, 1975.

Invited Lecturer, Ross Conference on Pediatric Research (Conf. 66, Learning disorders in children, Dec. 7-9, 1969; Conf. 77, Neonatal neurological assessment and outcome, Dec. 10-13, 1978.)

Lecture: "Critical conditions of infancy," Center for Advanced Study in the Behavioral Sciences, Stanford University, 1979.

Invited participant, Institute of Medicine Conference, National Academy of Sciences, 1980.

Sauer Lectureship, Northwestern University, Evanston, Illinois, Dec. 18, 1980.

Grinnell College (Iowa) Scholars Lectureship Program: Lectures: "Self-regulatory behavior in humans: How we live and when we die is largely a psychological matter" and "The uses of pleasure and annoyance in humans: Lessons from infants." April 19 and 20, 1984.

Invited lecturer, New York Public Library, Early Childhood Resource and Information Center, "The role of pleasure in children's learning," November 14, 1984

Conference on Brain Function and Learning, University of California at Los Angeles, November 1964.

Invited lecturer, International Symposium on Intervention and Stimulation in Infant Development, Jerusalem, Israel, July 1984

Invited lecturer, World Conference: Infancy as Prevention, Athens, Greece, July 1984.

Faculty Member for The First International Conference on Forensic Pediatric Pathology, Brown University and the State of Rhode Island, June 10-13, 1985.

Selected Colloquium Presentations: Wheaton College; University of Vermont; University of Massachusetts, Amherst; Yale University; Emory University; Rhode Island College; University of Illinois; University of Iowa; University of Indiana; University of Geneva (Switzerland); Princeton University; University of California (Berkeley, Los Angeles, Davis, Riverside).

Medical School Grand Rounds Presentations: Northwestern University (Pediatrics); State University of New York, Stony Brook (Neurology); Brown University, Rhode Island Hospital (Pediatrics; Brown University, Memorial Hospital (Pediatrics)).

Co-organizer, "The Future of Child Psychology," a symposium held at the University of Iowa, Iowa City, October 1986.

Invited Lecturer, Research Workshop on Early Influences Shaping The Individual, Sponsored by Foundation for Research in Childhood (Spyros Doxiadis, MD, Chair) Athens, Greece. January 20-24, 1987.

Invited participant, National Conference on Graduate Education in Psychology, University of Utah, Salt Lake City, June 13-19, 1987 (Proceedings: American Psychologist, 1987, 42, 1041-1085).

Invited Plenary Lecturer, "Verities of Infancy." International Association for Infant Mental Health, Meetings in Providence, RI, September 22-25, 1988.

Invited Lecturer, Vermont Conference on the Primary Prevention of Psychopathology: Psychological Approaches to the Prevention of AIDS, University of Vermont. Topic: "The development of behavioral self-regulation and risk-taking," July 13-16, 1988, Burlington, Vermont.

Invited Lecturer, "The role of the pleasant experience in infant sucking and tasting." Purdue International Conference on the Role of Experience in Modifying Taste and Feeding (Elizabeth D. Capaldi and Terry L. Powley, Organizers), April 6-9, 1989, West Lafayette, Indiana.

Invited Lecturer-Participant, Conference on the Development and Neural Bases of Higher Cognitive Functions, organized by Adele Diamond, Washington University in St. Louis. Sugarloaf Conference Center May 18-23, 1989.

Invited Speaker: "Normal and abnormal behavioral responses of infants to stress." Seventh Annual Conference on Apnea of Infancy, Annenberg Center for Health Sciences at the Eisenhower Medical Center, Rancho Mirage, CA. Jan. 26-28, 1989.

Invited Lecturer: "Risk-taking Behavior: Life skill or mortal enemy." Governors' Spouses Conference, Providence, RI. September 20, 1988.

Invited symposium organizer and speaker: "The Longer Term Consequences of Being an Infant: Studies and Thoughts from Brown University," at Boston Institute for the Development of Infants and Parents, 13th annual conference, Chestnut Hill, MA, November 5, 1988.

Invited Speaker: "Normal responses to stress in infancy," Seventh Annual

Conference on Apnea of Infancy, at the Annenberg Center for Health Sciences, Eisenhower Medical Center, Rancho Mirage, CA, January 26-28, 1989.

Invited Speaker: "The role of pleasant experiences in infant sucking and tasting," Purdue International Conference on The Role of Experience in Modifying Taste and Its Effects on Feeding, W. Lafayette, Indiana, April 7-8, 1989.

Invited Speaker: "Conditioning and other associative learning processes in infancy," at Conference on The Development and Neural Bases of Higher Cognitive Functions, Sponsored by NIMH, McDonnell Foundation, and University of Pennsylvania, May 20-24, 1989, Philadelphia.

Invited Lecturer: "Behavior is a Life and Death Matter: Risk factors in development." First Annual Meeting of the American Psychological Society, Alexandria, VA, June 10-12, 1989.

Invited Speaker: "Risk-taking behavior and children's accidents," Medical College of Ohio, Toledo, October 6-7, 1989.

Moderator and Discussant, Panel on The Nature and Nurture of Infant/Parent Development (with Jerome Kagan, Beatrice Beebe, and Edward Tronick), Boston Institute for the Development of Infants and Parents, November 4, 1989, Pine Manor College, Chestnut Hill, MA.

Conference Speaker, on "Today's Child, Tomorrow's Adult: How the Arts Impact on our Development," The Bethesda (Maryland) Academy of Performing Arts, March 24, 1990.

Invited Lecturer, "Self-regulatory behavior of infants: Implications for Life-span Development," Conference on Human Development, Virginia Commonwealth University, March 29, 1990.

Lecture: Brown Club of Washington, DC., September 22, 1990: "Children's Problems With Their Parents."

Lecturer, International Conference on Early Experience and Behavior in 21st Century Babies, Lisbon, Portugal, October 1-4, 1990.

Invited participant, NIMH Conference on Community Violence and Children's Development, Disorders, Nov. 15-17, 1990, Rockville, MD

Invited participant, NIMH Conference on Adolescent Mental Disorders Research, Nov. 26-27, 1990, Bethesda, Maryland.

Special lecture, Brown Club of Washington, DC. "Children's Problems with their Parents," September 22, 1990, Children's Museum, Washington, DC.

Invited Participant/Discussant, Conference sponsored by NINCDS on follow-up in longitudinal studies.

Invited Lecturer, Smithsonian Institution Research Associates Program, on Life-Span Development and Psychology, 1991.

Graduation Speaker, Ferkauf Graduate School of Psychology, Yeshiva University, The Bronx, NY, "The Call to Psychology," May 29, 1991.

Invited Lecturer, LaTrobe University, Melbourne, Australia, March 10, 1992, "Infancy as Preparation for Later Development."

Colloquium Speaker, University of Vermont (Burlington, Vermont) Psychology Department, March 27, 1992, "Early Human Experience: Vulnerability, Stress, and the Childhood Quest for Pleasure."

Invited lecturer, St. Luke's Hospital, New Bedford, MA. May 22, 1992. On risk-taking behavior and its development.

Colloquium speaker, SIDS Institute, Univ. of Maryland Medical School, Baltimore, MD, June 4, 1992. "Behavioral considerations in crib death."

Featured Speaker and Chair, "Infancy and Childhood Preludes of Adult Development: The origins of coping with stress," with Jerome Kagan and Arnold Sameroff. Thirteenth Albert Einstein Cape Cod Institute, Eastham, MA June 29-July 3, 1992.

Parents' Weekend, Brown University, Oct. 24, 1992. "Behavioral Misadventures: It's not just bad luck."

Featured lecturer, New Jersey Educational Association, Atlantic City, NJ. Nov. 5, 1992, "Origins of Aggressive Behavior in Children and Adolescents," and Nov 6, "Youth Violence: Prospects for Prevention."

Keynote speaker, Kentucky Psychological Association, November 7, 1992. Continuities in American Psychology: What the first century of research on infancy teaches the second century.

Seminar presentation, Center for Alcohol and Addiction Studies, Brown University, December 18, 1992. "Risk taking with alcohol, and other behavioral misadventures: The tyranny of the doctor's excuse."

Brown Alumni of Los Angeles, Continuing College, March 20, 1993: "The psychology of self-regulation and its origins in childhood."

Symposium speaker, meetings of the Society for Research in Child Development, March 26, 1993, New Orleans, LA: "Recent advances in the study of infant learning and memory."

Invited Lecturer, Greater Pittsburgh Psychological Association, March 29, 1993, Pittsburgh, PA: "The pleasures and annoyances of infants and psychologists."

Presidential address, Eastern Psychological Association, April 17, 1993, Arlington, VA: "The pleasures, annoyances, and memories of infants: A crash course for later life."

Invited Lecturer, Boston Institute for the Development of Infants and Parents, at Tufts University, May 1, 1993: "Pleasure and annoyance in infants: A crash course for life."

Presentation to the Brown Humanities Institute, May 5, 1993: "Death at an Early Age: Self Regulation and Risk Taking Behavior of Children and Young Adults."

Wriston Lecturer, Brown University, 1993- .

Invited participant, representing NICHD, National Working Conference on Research frontiers in Behavioral Medicine, Westfields International Conference Center, Chantilly, VA, July 11-14, 1993.

First Charles C. Spiker Memorial Lecturer, University of Iowa, Iowa City, Sept. 10, 1993. "Child Development: A Hawkeye View"

Featured Lecturer, Bar Harbor 93 Conference, on Adolescence: Self-regulation and risk taking behavior, origins and consequences. Bar Harbor, Maine, Sept. 18, 1993. Sponsored by KIDSPEACE.

Invited Lecturer, Memorial Symposium in honor of Spyros Doxiadis, "The Child in the World of Tomorrow," sponsored by the Foundation for Research in Childhood, Athens, Greece, June 2-5, 1994.

Invited seminar participant: "Children, violence, and drugs: Understanding/decreasing the risks." National Council Juvenile and Family Court Judges, Boston, MA, March 1, 1994.

University of Montana Colloquium Speaker and Consultant to the Psychology Department, Missoula, Montana, May 2-3, 1994.

Day-long Seminar Speaker: Self-Regulation and Thrill Seeking Behavior, for the Oklahoma Department of Mental Health and Substance Abuse Services, Oklahoma City, May 13, 1994.

Lecturer, Cape Cod Summer Symposia, "Risky behavior across the life span: Thrill-seeking and self-regulation from infancy onward." New

England Educational Institute, Eastham, MA, July 16-22, 1994.

Ross Laboratories Lecturer, Columbus, Ohio, August 4, 1994: "The role of sucking behavior in assessing taste preferences of babies."

Invited Lecturer, 1994 meetings of American Psychological Association, Division 1, "The hedonics of development: Risks, Behavioral misadventures, and triumphs." Los Angeles, August 12-16, 1994.

Invited Lecturer, Wayland Collegium, Brown University, November 17, 1994, "Living on the Edge."

Invited Lecturer, Harvard University Annual Suicide Symposium, February 3-4, 1995, Cambridge Hospital, "Risk-Taking and Suicidal Behavior in Adolescence."

Invited keynote lecturer: "When kids are left out: How to prevent the tragedy of exclusion." Early Childhood Conference, Massasoit Community College, Brockton, MA, May 15, 1995.

Invited workshop leader on violence in the lives of young children. Metrowest Association for the Education of Young Children, Framingham, MA., October 14, 1995.

Speaker, New England Miniconference on Infant Studies, "Long-term longitudinal research: models," William James Hall, Harvard University, January 20, 1996.

Co-presenter, with Dr. Stephen Buka on current follow-up research on learning disabilities in sample of the National Collaborative Perinatal Project, Center for the Study of Human Development, Brown University, January 25, 1996.

Lecturer, Meeting of the Human Development Group of the Canadian Institute for Advanced Research, February 14, 1996, San Diego, CA.

Instructor/Lecturer, Zooscope, an instructional program at the Roger Williams Zoo for RI school teachers, jointly sponsored by the Zoo and Brown University, July 5, 1996. Human and animal baby behavior: The origins of pleasure and annoyance.

Workshop lecturer, Mulberry Child Care Centers, Mansfield and Norwood, Mass., Sept 5, 1996.

Invited Lecturer, Brown University Friends of the Library, "The contents of children's minds," November 1, 1996.

Grand Rounds Lecturer, Rhode Island Hospital, Brown University Medical School, "40 Years in One Hour: My research career in child behavior and development at Brown," February 21, 1997.

Invited Lecturer in Japan, March 10-24, 1997, on infant behavior and development, and crib death: National Children's Hospital, Tokyo; Kitasato Univ. School of Medicine, Sagami City, Kanagawa; Japanese Sudden Infant Death Syndrome (SIDS) Family Association; Tokyo Women's Medical College; Nagoya City University Medical School; Kyoto Red Cross Hospital.

Invited lecturer, University of Montreal, and Laval University (Quebec City), Keynote speaker Research Colloquium of Prof. Richard Tremblay, May 2, 1997: "On studying the origins of developmental destinies."

Annual Psi Chi lecturer, meetings of New England Psychol. Assn., Stonehill College, No. Easton, MA, Oct. 25, 1997. "The roots of developmental destinies: On becoming a psychologist, for instance."

Invited Lecturer, Interamerican Congress of Psychology, Sao Paulo, Brazil. "Recent Advances in Infant and Child Behavior Research," July, 1997.

Invited participant, The White House Conference on Child Care, October

23, 1997.

- Invited speaker, Perception and learning. Conference on New Perspectives on Early Emotional Development, Sponsored by Johnson & Johnson Round Table Series, Jan 30-Feb 2, 1998.
- Lecturer, Dept. of Psychology, Florida International University, Miami Beach, FL, Feb. 4, 1998
- Colloquium lecturer, Connecticut College, April, 1998: "The significance of pleasure in early development."
- Invited lecturer, American Psychological Association, Division 1. Dialogue on Child Care with Eleanor Maccoby, Aug. 1998. San Francisco
- Invited lecture, American Psychological Association Division 12, "The roots of developmental destinies." August 1998, San Francisco.
- Invited lecture, Touch The Future symposium, "The future of our children." Monterey, CA. January 22-24, 1999.
- Invited Distinguished Lecture, Eastern Psychological Association meetings, The Benimoff Model Introductory Lecture Series: "Early childhood and life destinies." Providence, RI, April 17, 1999.
- Invited speaker, International Council of Psychologists annual meeting, Salem, MA, August 15-19, 1999: "Developmental destinies: Alternate roots and derailings."
- Lecturer, Newport Art Museum, 1999 Winter Lecture Series, "The media, and we the mediators: The future of violence." February 6, 1999.
- Invited Lecturer, 101 Faculty Forum, Brown University, March 4, 1999, "Whither Childhood? Early experiences, the psychology of attachments, and developmental destinies."
- Colloquium speaker, Dept. of Psychology, West Virginia University, March 20, 1999.
- Psi Chi invited address, University of Rhode Island, "Developmental destinies of children" Predictions supported and predictions derailed." March 29, 1999
- Invited Distinguished Lecturer, Eastern Psychological Association, meetings, "Alternate roots of developmental destinies," Providence, RI, April 1999.
- Invited Lecturer, The SIDS Alliance National Conference, Atlanta, GA. April 11, 1999, "A developmental/behavioral theory of SIDS."
- Invited Conversation Hour: "Bewitched and bewildered," Meetings of the International Council of Psychologists, Salem, Massachusetts, August 16-18, 1999.
- Symposium organizer and speaker, Div 1, American Psychological Association, August 1999 meetings, Boston, MA: "John B. Watson: His legacy reconsidered."
- Invited speaker, "Defensive behaviour saves most babies' lives," The Sixth SIDS International Conference, Auckland, New Zealand, February 8-11, 2000.
- Seminar speaker, "Lifespan psychology and developmental destinies," University of Waikato, Hamilton, New Zealand, Feb. 14, 2000.
- Colloquium speaker, "On the importance of Infancy: lessons from Infants," University of Otago, Dunedin, New Zealand, Feb. 16, 2000.
- Distinguished Scientific Lecturer for Year 2000, American Psychological Assn: Apr 20-22, 2000. At Southwestern Psychological Assn, Dallas, TX, "Pleasure, attachment, and annoyance in humans: Lessons in reciprocity from infants."
- Group leader for Ambassador People to People Program in Cuba: 60-person tour of child development, medical, and early education facilities

in Cuba, February 9-18, 2001.

Distinguished Lecturer, Molloy College, Rockville Centre, LI, NY,
 "Origins of pleasure and annoyance in humans," March 28, 2001.

Plenary Speaker: Tri-State/PSI CHI lecturer, Marshall University,
 Huntington, West Virginia, April 16-18, 2001.

Keynote Speaker, Robert & Elizabeth Kahn Family Foundation
 Conference, "The Developing Child: In the Beginning..",
 Kennebunkport, Maine. For Mast Clinic of Portland, and
 University of New England, September 7-9, 2001.

Invited participant, Perspectives on Developmental Cognitive
 Neuroscience, Brown University, May 16-17, 2002.

Invited participant, National Conference on Lethal School Violence,
 Radcliffe Institute for Advanced Study, May 21, 2002.

Invited Speaker, "Biobehavioral Factors in Infant Death," American
 Psychological Society annual convention, 9 June 2002, New Orleans LA

Lecturer, "Infancy and life destinies," Infant Psychiatry Dept., Univ.
 of British Columbia Medical School, 15 June 2002, Vancouver, Canada.

Workshop lecturer, Rhode Island Children's Friend and Services,
 September 2003

Invited speaker, Brown University Alumni of Boston Area, "Early
 experiences, learning processes of children, and my career,"
 Waltham, MA November 2003.

Workshop Lecturer for Children's Friend and Services, Providence, RI,
 On Attachment. 2004

Invited discussant, American Psychological Society, Symposium on history
 of American psychology laboratories, Chicago, IL, May 29, 2004.

Invited discussant, Association for Behavioral Analysis, Symposium on
 Systems analysis and gene-environment relations in child
 development, Boston, MA, May 31, 2004.

The Urie Bronfenbrenner Invited Lecturer, American Psychological
 Association division of developmental psychology, July 28-Aug 1,
 2004, Honolulu, Hawaii. (Combined with Ernest Hilgard Award Lecture
 for lifetime contributions to general psychology).

Chair, Symposium honoring Emmy E. Werner, author of *The Children of
 Kauai*, Amer. Psychological Association Jul 28-Aug 1, 2004, Honolulu
