RESEARCH EXPERIENCE

August 2004 – present

Project Assistant, Infant-Parent Interaction Lab

- Waisman Center, University of Wisconsin – Madison
- Coordinate and conduct 24 month laboratory visits for NIH-funded project focusing on the development of self-regulation in high risk infants
- Coordinate and train 4-8 undergraduate research assistants per semester
- Data entry, management, and analysis using SPSS and Excel
- Supervisor: Dr. Julie Poehlmann

September 2004 - present

Co-Investigator, Mentoring Connections

- Madison-area Urban Ministry and Big Brothers Big Sisters of Dane County
- Design and implementation of evaluation for DHHS-funded mentoring children of incarcerated parents program
- Supervise and train 3-4 undergraduate research interns per semester
- Data management and analysis
- Supervisors: Dr. Julie Poehlmann (UW-Madison) and Bob Spoerke (BBBS)

March 2006 – present

Coder, Grandparents Raising Grandchildren

- University of Wisconsin-Madison
- Completed training to code the Attachment Story Completion Task (ASCT)
- Coded ASCT tapes from sample of children being raised by their grandparents
- Supervisor: Dr. Julie Poehlmann

May - November 2006

Student Hourly, University of Wisconsin – Extension

- University of Wisconsin – Madison
- Revised and reviewed existing fact sheet series for parents of adolescents
- Wrote and prepared additional fact sheets for publication
- Supervisor: Mary Huser

February - October 2005

Research Intern, Wisconsin Family Impact Seminar

- University of Wisconsin-Madison, UW-Extension
- Assisted with two Family Impact Seminars:
 - *Improving health care quality while curbing costs: How effective are consumer health savings accounts and pay for performance?*
 - *Medicaid: Who Benefits, How Expensive is It, and What are States Doing to Control Costs?*
- Wrote, organized, and helped edit sections of the briefing reports distributed to seminar attendees. Conducted phone calls to state legislators, representatives, and legislative aides. Assisted with set-up before the seminars and helped with survey data collection during the day of the seminar.
- Supervisors: Dr. Karen Bogenschneider and Heidi Normandin

January – May 2004

Student Researcher, Undergraduate Honors Thesis

- Department of Human Development and Family Studies, UW-Madison
- Designed and conducted research study examining timing of menarche, body satisfaction, and paternal involvement.
- Obtained IRB approval
- Administered surveys to 100 undergraduate women about their experiences; data entry, management, and analysis
- Supervisor: Dr. Julie Poehlmann

TEACHING EXPERIENCE

Mentoring

Graduate Student Organization Mentor, University of Wisconsin

September, 2005 -- Present

- Mentored first year HDFS graduate student on basic graduate life functioning
- Assisted with class selection, proposal progress, statistics training, and funding attainment.
