

Coalition for National Science Funding

You're invited to participate in
Investments in STEM Research and Education: Fueling American Innovation

21st Annual CNSF Exhibition and Reception
April 29, 2015

The Coalition for National Science Funding (CNSF) will host its 21st Annual Exhibition and Reception, titled "**Investments in STEM Research and Education: Fueling American Innovation,**" for Members of Congress and their staffs on Wednesday, April 29, 2015. This event will showcase the crucial role the National Science Foundation plays in supporting basic scientific research and education – underpinnings of innovation.

The 2015 CNSF Exhibition and Reception will be held April 29th from 5:30 pm to 7:30 pm in the Rayburn House Office Building, Rooms B338 – 340. Refreshments will be served and all Members of Congress and appropriate staff will be invited.

To reserve a booth at the Exhibition, please complete the attached registration form and return it along with your check for \$500 (or the attached credit card authorization form) no later than March 13, 2015. **Only current 2015 CNSF members are eligible to sponsor a booth and all exhibits must showcase research made possible through funding by the National Science Foundation.**

Please note that there are a limited number of exhibit booths available. Paid registrations will secure an exhibit booth for current CNSF members on a first come, first served basis. Please register early. Each sponsoring organization may register for only one exhibit at this time.

Upon receipt of your paid registration, additional information will be provided concerning logistics, display board rental and security. In addition, each sponsoring organization will be required to provide further information regarding their exhibit including title of exhibit, exhibitor name and the identity of the NSF directorate/division that funded the research to be presented.

In addition to sponsoring an exhibit booth, CNSF members are encouraged to consider becoming a Donor or Co-Sponsor of the Exhibition to help offset event costs. To become a Donor or Co-sponsor of the event, please mark the attached registration form and remit your check for \$250 for Donors and \$500 for Co-Sponsors. All Donor and Co-Sponsor contributions will be acknowledged by listing the contributing organization in Exhibition program materials.

Your participation in this important event is greatly appreciated. If you have any questions or need further information, please contact Anita Benjamin at 401-455-4116 or alb@ams.org
