

## CURRICULUM VITAE

Frances Keesler Graham

Born: August 1, 1918 - Canastota, New York

Married: June 14, 1941 - three children

### EDUCATION

Pennsylvania State University, 1935-1938, B.A.

Yale University, 1938-1942, Ph.D.

### POSITIONS HELD

Psychologist, Acting Director, St. Louis Psychiatric Clinic, 1942-1944

Assistant, Instructor, Research Associate, Washington University Medical School, Departments of Psychiatry and Pediatrics, 1942-1948, and 1952-1957

Instructor, Assistant Professor, Barnard College, Columbia University, Department of Psychology, 1948-1951

Research Associate, Associate Professor, Professor, University of Wisconsin, Departments of Pediatrics and Psychology, 1957-1986

Professor, University of Delaware, Department of Psychology, 1986-1989

Professor Emerita, University of Delaware, Department of Psychology, 1989-Present

### HONORS AND OTHER SPECIAL RECOGNITION

President Sparks Medal, Pennsylvania State University, 1938

John W. White Fellow, Pennsylvania State University, 1938

Mary E. Ives Fellow, Yale University, 1939-1942

National Institute of Mental Health Research Development Award, 1964-1969

National Institute of Mental Health Research Scientist Award, 1969-1974, 1974-1979, 1979-1984, 1984-1989

### HONORS AND OTHER SPECIAL RECOGNITION (CONTINUED)

National Research Council, 1971-1974

Elected, Society of Experimental Psychologists, 1974

President, Society for Psychophysiological Research, 1973-1974

President, Society for Research in Child Development, 1975-1977

Designation of 1966 article with R.K. Clifton as a Citation Classic, Current Contents, 1978

President, Physiological and Comparative Psychology Division, American Psychological Association, 1978-1979

Chair, section on Psychology, American Association for the Advancement of Science, 1979;  
Nomination Committee, 1992

Hilldale Professorship, University of Wisconsin, 1980-1986

Award for Distinguished Contributions to Psychophysiology, Society for Psychophysiological Research, 1981

G. Stanley Hall Medal for outstanding contribution to developmental psychology, American Psychological Association, Division on Developmental Psychology, 1982

Distinguished Alumna Award, Pennsylvania State University, 1983

Psi Chi Certificate of Recognition for outstanding contributions to advance the science of Psychology, 1984

Elected, National Academy of Sciences, 1988

Distinguished Faculty Lectureship, University of Delaware, 1989

William James Fellow, American Psychological Society, 1990

Award for Distinguished Scientific Contributions, American Psychological Association, 1990

Society for Research in Child Development Distinguished Scientific contribution Award, 1991

Wilbur Lucius Cross Medal, Yale University, 1992

## EDITORIAL ACTIVITIES

### Boards:

Child Development, 1966-1968

Journal of Experimental Child Psychology, 1964-1967

Journal of Experimental Psychology, 1968-1973

Psychophysiology, Associate Editor, 1968-1970

Annual Review of Psychology, 1980-1984

Publications, Society for Research in Child Development, 1969-1977  
Publications, American Psychological Association, 1983-1984

Periodic Reviewer:

#### FEDERAL CONSULTING

Consultant, National Institute for Neurological Disease and Blindness, Perinatal Research Branch,  
1958-1970

Member, Experimental Psychology Peer Review Panel, National Institute of Mental Health,  
1970-1974

Consultant to the Directors, National Institute of Child Health and Human Development and  
National Institute of Mental Health, Task Force on Mental Retardation 1975-1976

Member, Board of Scientific Counselors, National Institute of Mental Health  
1977-1981

Chair, 1979-1981

Member, The President's Commission for the Study of the Ethics of Medicine and Biomedical and  
Behavioral Research 1979-1981

#### OTHER PROFESSIONAL ACTIVITIES

Council, American Association for the Advancement of Science

Council of Representatives, American Psychological Association

Governing council, Society for Research in Child Development

Board of Directors, Society for Psychophysiological Research

Finance Committee, American Psychological Association Chair, Committee on Investment  
Policies, Society for Research in Child Development

Social Policy Committee, Society for Research in Child Development

Chair, Program Committee, Society for Research in Child Development

Coordinator, Academic-Research Coalition, American Psychological Association

Ad Hoc Committee on Reorganization of the American Psychological Association

Ad Hoc Science Advisory Committee, American Psychological Association

Secretary-Treasurer, Division on Developmental Psychology, American Psychological  
Association

Secretary-Treasurer, Division of Physiological and Comparative Psychology, American  
Psychological Association

Ad Hoc Committee on Ethics, Society for Psychophysiological Research

Chair, Nominations Committee, Society for Psychophysiological Research

Chair, Nominations Committee, Society for Research in Child Development

Membership Committee, International Society of Developmental Psychobiology  
Board of Scientific Affairs, American Psychological Association, Council liaison.  
Scientific Advisory Board, Center for Research in Psychophysiology, University of Florida,  
Gainesville  
Advisory Board, St. Louis County Family Welfare Service  
Chair, Search Committee for Dean, School of Allied Health, University of Wisconsin  
University Committee on Mental Retardation, University of Wisconsin  
University of Wisconsin School of Medicine Committees: Research, Computer, Electronics,  
Library, and Equity Action  
Executive Committee, Federation of Behavioral, Psychological and Cognitive Sciences

## RESEARCH GRANTS, EXTRAMURAL

### Principal Investigator:

National Institute of Neurological Diseases and Blindness, Behavioral effects of  
perinatal anoxia, 1954-1959  
Brain-injury in young children, 1957-1963  
National Institute of Child Health and Human Development,  
Development of orienting behavior, 1966-1984  
Development of startle, 1972-1975  
Temporal and attentional factors in infant encoding, 1985-1987  
National Institute of Mental Health,  
Attention and blink modulation, 1984-1987  
Automatic mechanisms for detection and identification, 1988-1992  
The William T. Grant Foundation,  
Computer equipment, 1972  
Development of attentional systems, 1974-1978,  
1979-1980  
National Science Foundation,  
Startle reflex modifiability, 1975-1982

### Co-principal Investigator:

National Institute of Mental Health,  
Specificity in psychophysiological relations, 1960-1966

### Participant:

National Institute of Child Health and Human Development,  
Mental Retardation Research Center, Graduate School  
National Institute of Health, Division of Research Facilities and Resources,  
Biomedical Computing Division, Medical School  
National Institute for Neurological Diseases and Blindness,  
Epilepsy Research Center, Department of Neurology  
National Institute of Child Health and Human Development,  
Training for Research Careers, Department of Pediatrics  
Training in Developmental Psychology,

Department of Psychology  
National Institute of Mental Health,  
Training in Clinical Psychology, Department of Psychology

#### INVITED CONFERENCES AND LECTURES (selected)
