

CURRICULUM VITA

NAME: P. Herbert Leiderman

BORN: January 30, 1924
Chicago, Illinois

ADDRESS: 828 Lathrop Drive
Stanford, California 94305

PHONE: (650) 723-1706 (HOME: 650-857-9567)
(650) 321-2052

EDUCATION:

1941-43 University of Michigan, Ann Arbor, Michigan
1943 University of New Mexico, Albuquerque, New Mexico (Service)
1943-1944 California Institute of Technology, Pasadena, California
M.S., 1949 – Meteorology (Service)
1946-49 University of Chicago, Chicago, Illinois. M.A. Psychology, 1949
1949-1953 Harvard Medical School, Boston, Massachusetts. M.D. Cum Laude
for thesis in special field, 1953

POSTGRADUATE EDUCATION:

1953-54 Intern in Medicine, Beth Israel Hospital, Boston, Massachusetts
1954-55 Assistant Resident in Neurology, Boston City Hospital, Boston, Massachusetts
1955-56 Resident in Neurology, Boston City Hospital, Boston, Massachusetts
1956-57 Resident and Research Fellow in Psychiatry, Massachusetts General Hospital,
Boston, Massachusetts
1957-58 Resident and Research Fellow in Psychiatry, Massachusetts Mental Health Center,
Boston, Massachusetts
1958-59 Research Fellow, Massachusetts General Hospital and Massachusetts Mental Health
Center, Boston, Massachusetts
1958-63 Candidate, Boston Psychoanalytic Institute, Boston, Massachusetts
1963-68 Candidate, San Francisco Psychoanalytic Institute, San Francisco, California
1974-78 Family Study Unit, Palo Alto Veterans Administration Hospital
1972 -86 Lindemann Clinical Study Group, Palo Alto, California
1987 Psychopharmacology, Massachusetts General Hospital, Boston, Massachusetts

APPOINTMENTS:

Hospital:

1958-63 Assistant in Psychiatry, Massachusetts General Hospital, Boston, Massachusetts
1959-63 Assistant in Psychiatry, Massachusetts Mental Health Center, Boston, Massachusetts
1959-63 Assistant Physician in Psychiatry, Boston City Hospital, Boston, Massachusetts
1963- Physician, Stanford University Hospital, Stanford, California

1984- Physician, Children's Hospital at Stanford, Stanford, California

Teaching and Fellowships:

1947-49 Research Assistant in Psychology, University of Chicago, Chicago, Illinois
1953-58 Teaching Fellow, Harvard Medical School, Boston, Massachusetts
1958-61 Instructor in Psychiatry, Harvard Medical School. Boston. Massachusetts
1958-63 Career Investigator, United States Public Health Service
1961-63 Associate in Psychiatry, Harvard Medical School, Boston, Massachusetts
1963-68 Associate Professor, Department of Psychiatry, Stanford University
School of Medicine, Stanford, California
1968- Professor, Department of Psychiatry and Behavioral Sciences, Stanford
University School of Medicine, Stanford, California
1968- American Psychiatric Association Fellow
1969-70 Sabbatical-Research Fellow, Center for Behavioral Sciences, Harvard
University, Cambridge, Massachusetts
1969-70 Field Director, Child Development Research Unit, University College,
Nairobi, Kenya
1973-74 Guggenheim Fellow at Center for Advanced Study in the Behavioral
Sciences, Stanford, California
1977 Rockefeller Foundation Fellow, Bellagio, Italy

MILITARY SERVICE:

Army Air Force, entered November, 1942. Aviation Cadet to 1st Lieutenant
Meteorologist: Service in New Mexico, California, New England, Labrador, Newfoundland,
Western. Europe. Discharged July, 1946.

MEMBERSHIPS:

International Society of Behavioral Sciences
American Orthopsychiatry Association
American Academy of Child Psychiatry
Massachusetts Medical Society
Psychiatric Research Society
Sigma Xi
Society for Research in Child Development

BOARDS:

Diplomat of National Board, 1954. Licenses for practice in Medicine in California,
Massachusetts, and New York American Board of Psychiatry and Neurology, 1961

EDITORIAL ADVISORY BOARDS:

Associate Editor, Journal of Psychiatry Research, 1964
Associate Editor, Monographs of Society for Research in Child Development, 1971

CONSULTANT:

American Psychiatric Association Task Force on Community Mental Health Evaluation - 1968-69 & 1970-71

National Institute of Mental Health:
Fellowship Study Section, 1963-66
Alcohol Study Section, 1967-69
Social Science Study Section, 1969-72

NICHD Interdisciplinary Conference on Sensory Needs of the Hospitalized High Risk Neonate and His Mother, 1971

Society for Research in Child Development, Long-Range Planning Committee, 1971-72

National Institute of Mental Health (NIMH), Small Grants Program, 1971-74

Cross-Cultural Perspectives on Human Mother-Infant Bonding, Guatemala, 1973 Foundations' Fund for Research in Psychiatry, Board of Directors, 1971-74

National Science Foundation, Consultant to Dr. Robert LeVine, Harvard University, Cambridge, Massachusetts - Parenthood and Child Development in a Kenya Population, 1974-77

Drs. Marshall Klaus and John Kennell, INCAP, Nutrition and Child Development, Guatemala, 1973

National Institute of Mental Health (NIMH), Social and Behavioral Sciences, 1975-78

National Institute of Child Health and Human Development, to the Director, 1978

Center for Interdisciplinary Research, Ethology and Child Development, Bielefeld University, Bielefeld, Germany, May, 1978

National Research Council Committee on Manpower Needs in the Behavioral Sciences, 1979-85

Center for Advanced Study in the Behavioral Sciences, Stanford University, Stanford, California, 1980-current

Member, Scientific Advisory Committee in Behavioral Sciences, March of Dimes Birth Defects Foundation, 1980-1989

National Institute of Mental Health (NIMH) Subcommittee on Child and Family and Prevention of the Life Course and Prevention Research Review Committee, 1986 - 1989

School of Human Development, Pennsylvania State University, University Park, Pennsylvania, 1987-1991

National Research Council - Committee on Research Manpower Needs in Biomedical and Behavioral Sciences. 1988 - 1989

California Youth Authority 1980-current

GRANTS

Wernner-Gren Foundation - Cross-Cultural Studies of Infancy, 1971

Commonwealth Fund - Team Approach to the Diagnosis and Management of Multifactorial Medical Problems With Emphasis on Human Sexuality, 1972-75

Boys Town Center, Stanford - Development of Paternal Behavior, 1974-75

Boys Town Center, Stanford - Comparisons of Home and Foster Home Placement of Children Aged 1-10 Years, 1975-77

Carnegie Corporation - Mother and Infant Development, (With Robert LeVine), 1975-78

Grant Foundation - Attachment in Cross-Cultural Perspective, 1978-79
 State of California - Evaluation of Home Care and Foster Home Placement in Abused and Neglected Children (With Michael Wald and J. Merrill Carlsmith), 1979-80
 National Institute of Health - Impact of Home vs. Foster Care (With Michael Wald and J. Merrill Carlsmith), 1978-81
 March of Dimes - Social Competence in Handicapped Infants, 1979-81
 Stanford Center for the Study of Youth Development - Home and Foster Care in Abused and Neglected Children, 1981-86
 Spencer Foundation - Study of Families, Peers and Schools (With Sanford M. Dornbusch), 1986-

ADMINISTRATIVE ACTIVITIES:

1963-1969 Chairman, Medical Student Education Committee, Department of Psychiatry, Stanford University School of Medicine
 1966-68 Member, Committee to Revise Curriculum, Stanford University School of Medicine
 1967-68 Member, Human Relations Council, Stanford University
 1968-69 Member, Judicial Council, Stanford University
 1968-73 Member, Scientific Committee, Premature Research Center, Stanford University School of Medicine
 1968-69 Acting Chairman, Department of Psychiatry, Stanford University School of Medicine
 1969-70 Sabbatical, Field Director, Child Development Research Unit, Harvard University and University of Nairobi, Nairobi, Kenya
 1970-71 Member, Patient Care Committee, Stanford University School of Medicine
 1970-71 President, Medical School Senate, Stanford University School of Medicine
 1971-72 Member, Committee of Five, Medical School Senate, Stanford University School of Medicine
 1971-73 Member, Committee on Health Care and Physicians Assistant Program, Department of Community and Preventive Medicine, Stanford University School of Medicine
 1974-78 Director of Residency Program, Department of Psychiatry and Behavioral Sciences, Stanford University School of Medicine
 1975-77 Member, Advisory Committee of Clinical Research Center, Stanford University School of Medicine
 1975-78 Member, Committee on African Studies, Stanford University
 1975-81 Member, Boys Town Center, Stanford University
 1976-78 Member, Committee on Faculty-Staff Benefits, Stanford University
 1977-78 Member, Committee on Nutrition, Stanford University
 1977-80 Member, Committee on Research on Women, Stanford University
 1977-81 Member, Program Committee, Society for Research in Child Development
 1979-80 Chairman, Program Committee, Society for Research in Child Development
 1979-81 Member, Medical School Admissions Committee, Stanford University
 1980-39 Member, Scientific Advisory Committee in Behavioral Sciences, March of Dimes Birth Defects Foundation
 1980-81 Member, Program Committee, Society for Research in Child Development
 1981-85 Member, Executive Committee, Stanford Center for the Study of Youth Development
 1985-86 Director, Outpatient Child Psychiatry Clinic, Stanford University
 1986-87 Educational Liaison, Division of Child Psychiatry Stanford Medical School
 1986 - 89 Committee of Fifteen, Judicial Council, Stanford
 1987- 89 Director, Consultation-Liaison Service, Psychiatry, Stanford Medical Center

CLINICAL ACTIVITIES:

- 1975-79 Director, Family and Couples Clinic, Department of Psychiatry and Behavioral Sciences
- 1976-89 Consultant, Pal Alto Veterans Administration Hospital Outpatient Department—Group, Family and Couples Program
- 1981-86 Consultant, Family Therapy, Division of Child Psychiatry, Stanford University School of Medicine
- 1986-89 Consultant, Consultation Liaison, Stanford Medical Center

RESEARCH ACTIVITIES - 1984 Through Current:

1. Study of Schools at Stanford (With Sanford M. Dornbusch) 1984-
2. Attachment, Affiliation, and Mentoring in a School Aged and Adolescent Population 1986-
3. Attachment and Affiliation in the Early Childhood Years (With Robert LeVine, Professor of Anthropology, Harvard University) 1981 - 1989
4. Therapeutic Approaches During Life Course (With Arturo Silva, M.D.)
5. Family Evaluation in Older Aged Population (With Jerome Yesavage, Associate Professor of Psychiatry, Stanford Medical School)
6. Attachment and Affiliation in the Early Childhood Years (With Robert LeVine, Professor of Anthropology, Harvard University)

CURRENT RESEARCH GRANTS:

1. Gift Fund support from Mr. Norman Stone
2. Center for the Study of Families, Children and Youth, Stanford University
3. Spencer Foundation, Chicago, Illinois
