

Name: Mildred Clara Templin

Birthdate: October 30, 1913

Birthplace: Milwaukee, Wisconsin

Marital Status: Single

EDUCATION:

Sixteenth Avenue (later named Longfellow) Elementary School, Milwaukee. Graduated, 1927  
South Division High School, Milwaukee. Graduated, 1931  
University of Wisconsin, B.A., 1936 (Speech)  
University of Wisconsin, M.S.A., 1937 (Speech Pathology)  
University of Minnesota, Ph.D., 1947 (Child Development)  
(Additional undergraduate study taken at the University of Wisconsin, Milwaukee and Milwaukee  
Downer College, Milwaukee  
Additional graduate study at Purdue University, Marquette University, and Teachers College,  
Columbia University)

EMPLOYMENT HISTORY:

Graduate Assistant, Speech Department, University of Wisconsin, 1936  
Assistant in Speech Clinic and Speech Department, Purdue University, 1936-37  
Instructor in Speech and Supervising Clinician, Speech Clinic and Speech Department,  
Purdue University, 1937-39  
Speech Correction Teacher, Wauwatosa, Wisconsin Public Schools, 1940-43  
Graduate Assistant, Educational Psychology, University of Wisconsin, Summer 1943  
Graduate Assistant, Institute of Child Development, University of Minnesota, 1943-44  
Instructor, Institute of Child Development, University of Minnesota, 1944-47  
Assistant Professor, Institute of Child Development, University of Minnesota, 1947-51  
Associate Professor, Institute of Child Development, University of Minnesota, 1951-58  
Professor, Institute of Child Development, University of Minnesota, 1958-76; Communication  
Disorders, 1965-76  
Professor Emerita, University of Minnesota, 1976-

SCIENTIFIC AND PROFESSIONAL ORGANIZATIONS:

Until retirement I was an active member of the following organizations:

American Psychological Association (Fellow: Division 7, Developmental Psychology and Division  
22, Psychological Aspects of Disability)  
American Speech and Hearing Association (Fellow)  
Society for Research in Child Development  
Minnesota Speech and Hearing Association

At the time of retirement I was no longer an active member of the following organizations:

American Association for the Advancement of Science (Fellow)  
American Educational Research Association  
Council for Exceptional Children  
National Society for the Study of Education  
National Association of University Professors

## HONORS:

Doctor of letters honoris causa, Purdue University, May 16, 1976  
Honors of the American Speech-Language-Hearing Association, 1981  
Distinguished Service Award, Minnesota Speech-Language- Hearing Association, 1993  
Vilas Medal for public speaking (University of Wisconsin undergraduate)  
Sigma Xi. Elected June 6, 1951 (Minnesota Chapter)  
Delta Sigma Rho  
Recognition luncheon, sponsored by the Minneapolis Public School Clinicians, May 9, 1975, at the  
North Central Regional Conference of the American Speech-Language-Hearing Association  
Plaque hung in the Florence L. Goodenough Reference Room at the Institute of Child Development,  
University of Minnesota in recognition of contribution to the development and maintenance  
of the reference room  
WCCO Good Neighbor (Twin Cities radio station), December 19, 1981 for academic achievement  
Excellence in Care Award, Augustana Care Corporation, Minneapolis, April 26, 2001

Listed in:

American Men of Science, Volume 9, 1955; Volume 10, 1962; Volume **11**, 1965-66.  
American Men and Women of Science, Volume 12, 1973.  
Who's Who in America, Volume 32, 1962-63 through Volume 37, 1972-73.  
Who's Who in American Women, Volume 1, 1958-59; Volume 8, 1974-75; Volume 18, 1993-94;  
Volume 19, 1995-96 (some intermediary volumes).  
Who's Who in the Midwest, Volume 24, 1993 (some earlier volumes).  
(Sporadic listings in publications such as Who's Who in American Education and International  
Dictionary of Biography.)

## PROFESSIONAL ACTIVITIES:

American Association for the Advancement of Science: Council, 1960; Representative of American  
Speech and Hearing Association.

American Speech and Hearing Association: Councilor-at-large, 1961-63; Vice President Elect, 1964;  
Vice President, 1965. Served on Scientific Affairs and Convention Program, and Convention  
Program Planning Committees; Associate Editor, Journal of Speech and Hearing Disorders,  
1959.

Society for Research in Child Development: Editor, Monographs of the Society for Research in Child  
Development, 1964-70; Consulting Editor, 1972-74. Served on Membership Committee.

American Psychological Association: Council, 1961-64. Representative of Division 22  
(Psychological Aspects of Disability). Served on Fellowship Committee.

Speech Language and Hearing Subcommittee of the Perinatal Research Project of the National  
Institute of Neurological Diseases and Blindness: Member, Consultant, 1960-69.

Advisory Committees, State of Minnesota, Department of Education: Chairman, Advisory Committee  
to Consider Education of the Hearing Handicapped in the Minneapolis Metropolitan Area,  
1960-62. Final Report: Children with Hearing Handicaps: A Study of Their Education in the  
Minneapolis Metropolitan Area. Minneapolis, Minnesota: Minneapolis Area School Study  
Council, University of Minnesota, 1962, 82 pages.

Chairman, Advisory Committee for the Investigation of Minnesota Programs for Secondary and  
Young Adult Hearing Impaired, 1963-64. Final Report: A Preliminary Study of Minnesota  
Programs for Secondary and Young Adult Hearing Impaired. St. Paul, Minnesota:  
Department of Education, State of Minnesota, 1964, 161 pages.

Member, Advisory Committee on Speech, Drama, and Forensics, State of Minnesota, Department of  
Education, 1967-69.

## RESEARCH INTERESTS AND SUPPORT:

Language Development: Prediction of articulation development; Relation of articulation to other variables; Language and cognition of hearing impaired; Support primarily from Institute of Child Development and Graduate School of the University of Minnesota and the United States Office of Education, Department of Health, Education and Welfare.

Presented seminars and workshops at various universities and at sessions offered by state and local organizations, dealing primarily with my research on articulation development, articulation measurement, sound discrimination, and language and thought of the deaf.

## VOLUNTEER SERVICE ACTIVITIES:

Church Related: University Lutheran Church of Hope, 1961-2001: President of the Congregation, 1973-75; Board of Commissioners and Commissioner of Corporate Relations (Social Action), 1962-67; Commissioner of Membership, 1967-71; Co-Chair, Volunteer Services, 1976-83; Chair, Senior Group, 1999-2001. Minneapolis Conference of the American Lutheran Church: Chair, Committee on Aging, 1975-77. Southeastern Minnesota District of the American Lutheran Church: Subcommittee on Aging, 1974-80.

Neighborhood Related: University District Improvement Association (now Marcy-Holmes Neighborhood Association), 1959-93: By-Laws Revision, Livability Committees. Independent Legal Entities concerned with neighborhood improvement and stability: 1st Southeast Corporation: Officer and Board Member, and Member of Advisory Council, 1966-94; 2nd Southeast Corporation: Board, Member 1970-79.

Retirement Activities: Augustana Residents Association: Board Member, 1994-96; By-Laws Revision Committee, 1998-99; Publications Committee, 1997 to present.

## BIBLIOGRAPHY (Exclusive of Book Reviews):

1. A study of aggressiveness in normal and defective college speakers. Journal of Speech Disorders, 1938, 43-49.
2. (with M. D. Steer). Studies of growth of speech of preschool children. Journal of Speech Disorders, 1939, 1, 71-77.
3. A study of sound discrimination ability of elementary school children. Journal of Speech Disorders, 1943, \_ 12-32.
4. Spontaneous versus imitated verbalization in testing articulation in preschool children. Journal of Speech Disorders, 1947, 12,293-300.
5. A non-diagnostic articulation test. Journal of Speech Disorders, 1947, II, 392-396.
6. A comparison of the spelling of normal and defective hearing subjects. Journal of Educational Psychology, 1948, \_ 337-347.
7. Correspondence courses in child development. School and Society, 1948, 67, 220-222.
