

Vita

PETER M. VIETZE

Address: Department of Psychology  
Montclair State University  
Dickson Hall Room 218  
Montclair, N. Y. 07043

Date of Birth: May 30, 1944

Education: B.A. 1965 S.U.N.Y. at Binghamton-Harpur College  
Major: Sociology

M.A. 1969 Wayne State University, Detroit, Michigan  
Major: Social Psychology

Ph.D. 1969 Wayne State University, Detroit, Michigan  
Major: Developmental Psychology

Experience:

2007-present Professor and Chair  
Department of Psychology  
Montclair State University  
Montclair, NJ 07043

2004-2007 Research Director  
John F. Kennedy, Jr. Institute for Worker Education  
City University of New York  
101 West 31<sup>st</sup> Street  
New York, NY 10001

2004-present Research Director  
Hand In Hand Development, Inc.  
200 East Broadway  
New York, NY 10002

1987-2004 Executive Deputy Director  
Chair, Department of Infant Development  
NYS Institute for Basic Research in  
Developmental Disabilities

Staten Island, New York

- 1989-present Adjunct Professor of Psychology  
City University of New York,  
Affiliations with:  
Learning Processes Program, Queens College;  
Developmental Psychology Program, Graduate Center  
Center for Developmental Neuroscience College of Staten  
Island
- 1989-1990 Adjunct Professor of Psychology, Rutgers University  
New Brunswick, New Jersey
- 1980-1987 Health Scientist Administrator and  
Head, Mental Retardation Research Centers  
Mental Retardation and Developmental Disabilities  
Branch N.I.C.H.D., NIH
- 1976-1980 Senior Staff Fellow, Research Psychologist  
Child and Family Research Branch N.I.C.H.D., NIH
- 1973-1978 Associate Professor of Psychology  
George Peabody College for Teachers  
Nashville, Tennessee (Tenure awarded 1975)
- 1970-1973 Research Assistant Professor of Psychology  
George Peabody College for Teachers  
Nashville, Tennessee

Additional responsibilities at Peabody College:

- 1973-1976 Executive Officer, Demonstration and Research Center  
For Early Education (DARCEE)
- 1972-1976 Coordinator, Doctoral Program in Developmental  
Psychology
- 1971-1976 Research Scientist, Institute for Mental Retardation  
And Intellectual Development (IMRID)
- 1970-1976 Faculty Advisor and Member  
Doctoral Program in Mental Retardation Research
- 1971-1974 Founder & Co-Director, Peabody Infant Laboratory
- 1969-1970 Post-Doctoral Fellow in Developmental Psychology

Department of Psychology and Institute for Human Development  
University of California  
Berkeley, California

1968-1969 Project Head Start Research  
Merrill-Palmer Institute  
Detroit, Michigan

1968 (Summer) Instructor, Department of Psychology  
Wayne State University  
Detroit, Michigan

1967-1968 Research Assistant, Merrill-Palmer Institute  
Detroit, Michigan

1965-1967 Research Assistant, Department of Psychology  
Wayne State University  
Detroit, Michigan

Consultantships:

1973-1980 Department of Pediatrics  
Vanderbilt University Medical School  
Nashville General Hospital

1977-1980 Pediatrics Department  
University of Cincinnati School of Medicine

1972-1976 Vanderbilt University College of Nursing

1987-2004 NICHD, Bethesda, MD

Professional Memberships:

International Association for the Scientific Study of Intellectual Disabilities  
International Society for Infant Studies  
American Association for the Advancement of Science  
American Association on Intellectual Disabilities  
American Psychological Association, Fellow, Divisions 7,33  
Foundation for Advanced Education in the Sciences  
Society for Research in Child Development  
Society of Sigma XI

Editorial Boards:

Merrill-Palmer Quarterly 1980-87  
Current Psychological Research  
Current Psychological Reviews  
Topics in Early Childhood Special Education  
Early Education & Development  
Current Psychology

Consulting Reviewer:

American Journal of Mental Retardation  
Science  
Child Development  
Infant Behavior and Development  
Journal of Applied Research in Intellectual Disability  
Mental Retardation  
American Journal of Mental Retardation (American Journal of Intellectual Disability)  
Journal of Policy and Practice in Intellectual Disabilities  
NICHD

Federal Advisory Committees:

1990-1994 Member, Chair, Mental Retardation Review Committee, NICHD  
1991-2000 Member, Chair, NICHD National Child Care Study Advisory Board  
1995-1999 Chair, Data Safety Monitoring Board of the Pride in Parenting Project

Professional Certificates:

State of Tennessee, license # 394 (Psychologist)  
State of Maryland, license # 1010 (Psychologist)  
New York State, license # 017065 (Psychologist)

Clinical Training and Experience

Courses:

1966- Experimental Child Psychology  
Small Groups  
Theories of Learning  
Theories of Personality

1967- Behavior and Development of Infants  
Practicum in Human Development

Child Psychoanalysis  
Psychopathology  
Experimental Psychodynamics

- 1975- Parent Training
- 1977- Psychoactive Drugs
- 1978- Three Modern Psychotherapies
- 1980- Reality Therapy
- 1981- Counseling and Psychotherapy Group Work with Black Populations  
Therapeutic Approaches in Community Mental Health  
Manifestations and Management of Stress
- 1984- Comprehensive Approaches to Disabled and At-Risk Infants, Toddlers  
And Their Families
- 2003- Administering the Bayley III Scales of Infant Development

Supervision:

- 1967- Dr. Edith Sterba-Detroit, Michigan  
Dr. Clark Moustakas-Detroit, Michigan
- 1968-1969 Dr. Irving E. Sigel
- 1969-1970 Dr. John S. Watson
- 1970-1972 Dr. Susan W. Gray
- 1976-1980 Dr. Leon J. Yarrow
- 1977-1980 Dr. Kay Standley
- 1977-1980 Dr. Henry P. Ward

Clinical Experience:

- 1967-69 Testing children in Detroit Schools
- 1969-70 Testing Infants in Berkeley, CA
- 1970-71 Conducting Parent Training Groups, Nashville, TN

- 1971-72 Field Supervisor for National Standardization of McCarthy Scales of Children's Abilities-Psychological Corporation
- 1973-74 Field Supervisor for National Standardization for WISC-R-Psychological Corporation
- 1973-74 Supervised Parent Training, Nashville General Hospital
- 1974-76 Supervised Interviewers for Child Abuse Intake, Nashville, General Hospital
- 1976- 87 Part time clinical practice, Silver Spring Maryland--Child and Adolescent, Adult Groups, Family and Couple Therapy, Adult individual counseling.  
Infant Developmental Testing
- 2007- Evaluation of Infants and Young Children, Evaluation of Individuals with Intellectual Disability, Counseling and Therapy (NYC Early Intervention Program)

## Grant and Contract Support

Preschool Model Project (with S. Gray, J. Bauch and M. Schoggen, 12/71-8/74). Source:  
NIE/NPECE Amount: \$323,482

\*Infant Competence: Coordinated Studies on the Development of Instrumental Learning in the First Year of Life. Sub-contract #NPECE 70-006 of Contract OEC-0-70-4152 (607). 6/72-11/72. Source: Office of Education. Amount \$18,508. 12/72-12/73 Amount: \$36,706.

\*Toward a Theoretical Model of Infant Competence. Contract #NE-C-00-3-0260. 12/73-11/75. Source: NIE. Amount \$163,317.

\*Head Start Program (Through Metropolitan Nashville Government) 3/73-2/74. Source: Office of Child Development. Amount: \$35,798.

\*Training Project for Home Intervention (with P. Dokecki) 4/73-8/74. Source: Tenn. Dept. of Public Health. Amount: \$126,000.

\*Early Screening Project (through Vanderbilt University) 9/75-6/76. Source: Office of Child Development. Amount \$39,358.

\*Effects of Adolescent Pregnancy on Mother-Infant Relationships: A Transactional Model. (Transferred to Howard Sandler) 9/76-9/79. Source: NICHD. Amount: \$199,833.

Participated in Program Project of the Institute on Mental Retardation and Intellectual Development. 1970-1976. Amounts: \$5,000 to \$32,000 each year.

Biomedical Support Grants (Internally administered grants funded by NIH Contract #S05-RR07087).

\*1972- Prenatal Planning for Parenthood: Effects on parents and young infants. \$2,000.

\*1972 – Observation of home visiting: Development and evaluation of an observation system to evaluate home-visitor/mother/child interaction. \$5,000.

\*1974 – Effects of contingent and non-contingent stimulation on handicapped and non-handicapped infant learning. \$1,000

\*1974 – Research assistantships for minority graduate student to study mother/infant interaction. \$4,400

\*1975 – Mother-infant interaction in families with handicapped infants. \$1,000.

\*1989 – Children with AIDS. \$19,000

\*1989 – Conference on Brain and Behavior in Pediatric AIDS. \$24,244

\*1990 – One to One Foundation. \$19,271

Arousal & Attention in High Risk Infants, Judith Gardner (PI) Peter M. Vietze is a Co-investigator, NICHD #HD21784. Dates of project 4/1/89 – 3/31/05, \$369,000/year

Cocaine Effects on Attention and Arousal in Neonates, Bernard Karmel(PI), Peter M. Vietze (Co-investigator), NIDA #2-RO1-DA06644. Dates of project 8/1/96-7/31/01, \$269,755/year

One to One Foundation, "Computer Assisted Learning for People with Multiple Disabilities", S. Holburn, (PI), Peter M. Vietze (co-investigator). 10/1/99-9/30/00, \$17,000. - Funded

Staten Island Savings Bank Foundation, "Computer Assisted Learning for People with Disabilities", S. Holburn (PI), Peter M. Vietze (co-investigator), \$2,400 -Funded

\*The Robert Wood Johnson Foundation, "Parenting Support Project" \$49,929, 12/27/00-12/26/01 - Funded

March of Dimes "Script for Staten Island: A Clinic-Based Enhanced Smoking Cessation and Reduction Program for Pregnant Women, D.L. Coates (PI), P. Vietze (evaluator) \$50,000 – Funded

Office of the Attorney General "Health and Nutrition Education Project" \$375,000 3/11/03-3/10/05 -Funded

FAR Fund "Person-Centered Transitional Planning for People with Autism Spectrum Disorders" \$98,000, 9/03-9/06 (P. Vietze-co-investigator) – Funded

\*New York State Office of Child and Family Services, AmeriCorps Contract to fund Teaching Assistants in ABA Classroom. \$126,000/year, 10/1/06-9/30/09. Funded

\*NYS OMRDD Family Support Contract. Case Management. \$50,000, 7/1/07-6/30/08. Funded

\*NYS OMRDD Family Support Contract. Case Management, Evaluation Services. \$155,000/ year, 7/1/08-6/30/13. Funded

\*Principal investigator on these grants or contracts
