

VITA

John S. Watson

Address: Home 8535 Quail Canyon Road Office--Psychology Department
Vacaville, CA 95688 University of California
Berkeley, CA 94720
e-mail: jwatson@berkeley.edu Tel. (530) 795-0995

EDUCATION

B.A. 1958 Wesleyan University (Psychology)
M.A. 1961 Cornell University (Child Development)
Ph.D. 1967 Cornell University (Child Development)

POSITIONS HELD

1963-1967 Research Associate, Merrill-Palmer Institute
1965-1967 Adjunct Assistant Professor of Psychology, Wayne State University
1967-1971 Assistant Professor of Psychology, University of California, Berkeley
1971-1979 Associate Professor of Psychology, University of California, Berkeley
1979-1994 Professor of Psychology, University of California, Berkeley
1994- 2001 Professor in the Graduate School, University of California, Berkeley
2001- Professor Emeritus of Psychology, University of California, Berkeley

PROFESSIONAL SERVICE

1970 Consultant on Day Care, Office of Child Development
1975 Consultant on program development for research on childhood depression, NIMH
1969-86 Editorial Board of The Merrill-Palmer Quarterly
1978 Editorial Board of Infant Behavior and Development
1978-1981 Member of NSF Grant Review Panel on Social and Developmental Psychology
1981-1987 Editorial Board of Cahiers de Psychologie Cognitive

ADMINISTRATION

1966- Principal investigator (of five NIH research grants as well as intramural funding from UCB and Childrens' Hospital Oakland).
1968-1980 Executive Committee of Institute of Human Development, UCB
1968-1994 Administrator of infant laboratory at Institute of Human Development
1971-1973 Chair, Letters and Science Committee on Courses, UCB
1978-81 & 84 & 1996-97 Chair, Committee for the Protection of Human Subjects, UCB
1996-1997 Chair, Space Committee, Institute of Human Development, UCB

PAST MEMBERSHIPS in PROFESSIONAL ORGANIZATIONS

Society for Research in Child Development
American Psychological Association
Committee on Research in Infancy
International Society for Infant Studies
The American Psychological Society

AWARDS and HONORS

- 1958 Thorndike Prize in Psychology, Wesleyan University
1975-76 Special Fellowship, NIMH
1978 Fellow at Center of Interdisciplinary Research, University of Bielefeld, West Germany (April-May).
1996 Visiting Fellow at Netherlands Institute for Advanced Studies, Wassenaar, Netherlands (January)
2001 Beach Prize for best article of the year in Journal of Comparative Psychology awarded by Division 6 of American Psychological Association
